Principal's Message

January - March Reflections

Afterschool Handball and Basketball

Grade 4-5 students had a fabulous time playing handball and basketball beginning in January. Students at Mt. Lehman are dedicated, driven and play excellent sports. Students have shown great sportsmanship when playing with other elementary schools. Good for you, kids!

Lacross Workshop

Coach Adam was here for a week for our Lacrosse Workshop. Students enjoyed learning lacrosse techniques and learned about Canada's national sport.

Softball Workshop

Mt. Lehman also hosted a softball workshop for an entire week, students enjoyed learning ball skills getting ready for the season.

Skating Day

Students and families enjoyed our skating day on February 20th. Some students got a chance to experience ice for the very first time, and others enjoyed the extra ice time skating with their friends from school.

Pink Shirt Day

Pink Shirt Day was on February the 28th. Students learned about pink shirt day in their classrooms. They contributed to pink shirt day by making art, filling buckets, and acting upon random acts of kindness.

Movie Night

Families from Mt. Lehman came together and had a fabulous night at the movies at Mt. Lehman. Students enjoyed watching the movie "Wish" with a snack from the concession. Students liked watching the movie with their friends from school.

River Science

Students had the opportunity to hear from the River Science team. River Science is a team who travels to schools to educate students about the ecosystems and earth science systems found in the Fraser River.
