

Monday Memo

Principals Message ...

Dear Mt. Lehman Families,

What a wonderful start we've had to the school year! The energy and excitement throughout our classrooms, hallways, and playgrounds have been truly inspiring. It's been a joy to see students settling in so well—making new friends, reconnecting with familiar faces, and diving into learning with enthusiasm. Our dedicated staff have worked hard to create welcoming and engaging spaces, and we're already seeing the positive impact. Thank you to our families for your continued support and partnership—it makes all the difference. We're looking forward to a year filled with growth, connection, and memorable moments. Let's keep the momentum going!

Warmly,
Maralee Lincoln

Fall Fair

The Fall Fair will be happening **September the 20th**, and as you know this is the heartbeat of Mt. Lehman.

It's almost here! Fall Fair is the most exciting time of the year around Mt. Lehman. We welcome everyone to our community and celebrate Fall with rides, games, great food, a Silent Auction, Craft Market and more!

We'll be sending home more info about the Zucchini Races, Potato Creations and Creation Contest during the first week back to school – the kids always look forward to those! We are always looking for volunteers to support the Fall Fair and help in a variety of different ways.

Here is how you can help:

- Donate goods or services to the Silent Auction
- Donate your new and re-giftable items to the Silent Auction
- Donate financially to help sponsor the Fair
- Donate your new or very gently used stuffed animals to the Buy the Farm game
- Donate your time helping run some games, in the kitchen or with set-up / tear-down (volunteer sign-up sheet will be sent out over the summer)

SEPTEMBER 26th PM - TERRY FOX RUN

Raising Money for the Terry Fox Foundation

Terry Fox ran across a large part of Canada to raise money for cancer research. Schools across Canada have a tradition of continuing the goal of raising money for cancer research and remembering Terry Fox. We are collecting twoonies \$2 for Terry

Truth and Reconciliation/ Orange Shirt Day

Truth and Reconciliation is recognized by students and staff by wearing an orange shirt to school on September 26th. On the 26th we will have a recognition assembly followed up with some classroom activities.

On September 29th is a Professional Development Day where teachers will be learning about teaching Truth and Reconciliation. Students will not be in attendance for the day.

On September 30th is the actual day of Truth and Reconciliation.

On Monday October the 2nd is a day in lieu for National Day of Truth and Reconciliation. No school for students and staff.

Dress Code:

The responsibility for personal dress and grooming rests primarily with students and their parents. Clothing, which is comfortable, clean, and modest is conducive to a positive educational climate. The following points indicate our expectations for student attire at Mt. Lehman Elementary School.

- Clothing should be appropriate for a learning/working environment, e.g. beachwear is not appropriate for school. Shirts should fully cover the torso when standing. Undergarments should not be visible. Shorts should fully cover the bottom and upper thigh.
- Dress, grooming and accessories should be appropriate and not cause health and safety concerns.
- Hats and sunglasses should be removed inside the school.
- Clothing items that promote alcohol, drugs, inappropriate language, racism or are in poor taste are not acceptable for school.
- Physical Education classes require proper footwear(runners), i.e. flip flops/boots are not acceptable footwear for gym, inside or out.
- During physical activity times clothing should not move into a position that could cause embarrassment for the child.
- The school will contact parents when children come to school dressed inappropriately.

Attention Parents: PICK-UP AND DROP-OFF

Please review the following important safety rules and please help us keep all our children safe by following these rules every day, even when you are in a hurry.

- **Drop-off and Pick-up**
 - Please drop-off your children in the drop-off zone in the morning and after school if you can't find parking.
 - Parents of students who cannot get out of the vehicle on their own should park their vehicles and walk their children to class. The drop-off and pick-up zone should not be used unless your child can operate their own seatbelt and open and close the vehicle door on their own.
 - The Pick-up and drop-off zone is constantly moving, and vehicles cannot be parked while parents help their children.
 - **NO parking in the drop-off /pick-up zone. Your vehicle should remain on, and your children will meet you in the pick-up and drop-off zone.**
 - Please **drive to the far end of the zone**, so more cars can fit in the drop-off/pick-up zone.
 - **Do not leave the drop off zone until it is your turn to exit** (we want to avoid collision and congestion)
 - **If your children are not present, loop around the zone again** and Ms. Lincoln or a staff member will find your children for you.
 - If your child does not feel comfortable walking to the pick-up and drop-off zone you will have to park and walk in.
 - You can park in the school parking lots, on the street, or the Community Hall.
 - Students are not permitted to be crossing the drop-off and pick-up zone/parking lot without a adult. It is a very heavy traffic zone even though it is an elementary school parking lot.

Road Safety: No U-turns are permitted, be mindful of the crosswalk, watch your blind spots, slow down, it is a school zone, and pedestrians have the right of way.

Crosswalk: Use the crosswalk.
