Dear Families,

One Book, One School Wrap-Up: Charlotte's Web

Our *One Book, One School* event featuring **Charlotte's Web** was an incredible success! Students across all grades immersed themselves in the world of Wilbur, Charlotte, and their barnyard friends, engaging in literacy at an exceptional level.

Throughout the program, our school community came together to celebrate reading in creative and meaningful ways. The **coloring contest, poster contest, character costume contest, diorama contest, character find, and spider web word find** were all huge hits! Each activity sparked imagination, collaboration, and a love for storytelling.

The enthusiasm was contagious with hallways filled with vibrant artwork, clever costumes, and detailed dioramas that brought E.B. White's classic to life. Students didn't just read a book; they experienced it, explored its themes, and expressed their understanding through art and play.

Thank you to everyone, students, staff, and families—who made this celebration of literacy so memorable. Together, we proved that reading truly connects us all.

Warm regards,

Maralee Lincoln, Principal
