Subject: Celebrating Inclusion at Our School

Dear Families,

At Mt. Lehman Elementary, we believe that every child belongs, every voice matters, and every difference makes us stronger. Inclusion isn't just something we talk about, it is something we live every day. As part of the Abbotsford School District, our commitment is to create learning environments where all students feel valued, respected, and supported.

What does inclusion look like in our school?

- **Collaborative Classrooms:** Students of all abilities learn together, sharing ideas and building friendships that go beyond the classroom walls.
- **Celebrating Diversity:** We recognize and honor the unique cultures, languages, and traditions that make our community vibrant.
- **Personalized Support:** Whether it's through differentiated instruction, assistive technology, or extra encouragement, we ensure every learner has what they need to succeed.

Inclusion is about more than academics; it's about belonging. When students feel safe and accepted, they thrive socially, emotionally, and academically. Together, we are creating a school where kindness leads the way, and every child can shine.

Warm regards,

Maralee Lincoln

One Book One School

One Book One School Initiative of Charlotte's Web by E.B. White!

This program is designed to bring our entire school community together through the shared experience of reading a single book. Whether you're in Kindergarten or Grade 5, a parent, teacher, or staff member, we'll all be joining Wilbur, Charlotte, and their friends on a heartwarming journey of friendship, courage, and kindness.

Each family has received a copy of Charlotte's Web, and we're almost at the end! We still have fun activities, discussions, and school-wide events that celebrate the themes and characters of the story. Thank-you to the PAC for sponsoring the copies of the book for families.

Sincerely,
Ms. Lincoln, Principal
