Mt. Lehman Elementary School

Principal: Ms. Maralee Lincoln

This program is designed to bring our entire school community together through the shared experience of reading a single book. Whether you're in Kindergarten or Grade 5, a parent, teacher, or staff member, we'll all be joining Wilbur, Charlotte, and their friends on a heartwarming journey of friendship, courage, and kindness.

Each family has received a copy of Charlotte's Web, and we'll be reading it together over the coming weeks. Along the way, we'll have fun activities, discussions, and school-wide events that celebrate the themes and characters of the story. Thank-you to the PAC for sponsoring the copies of the book for families.

Our goal is to foster a love of reading, strengthen our sense of community, and create meaningful connections between home and school. We encourage families to read together, talk about the story, and enjoy this special experience.

Warmly, **Ms. Lincoln**
